

CryoVEx 2008 Processing Status

ASIRAS data processing at DTU Space

Lars Stenseng

PhD Student

stenseng@space.dtu.dk

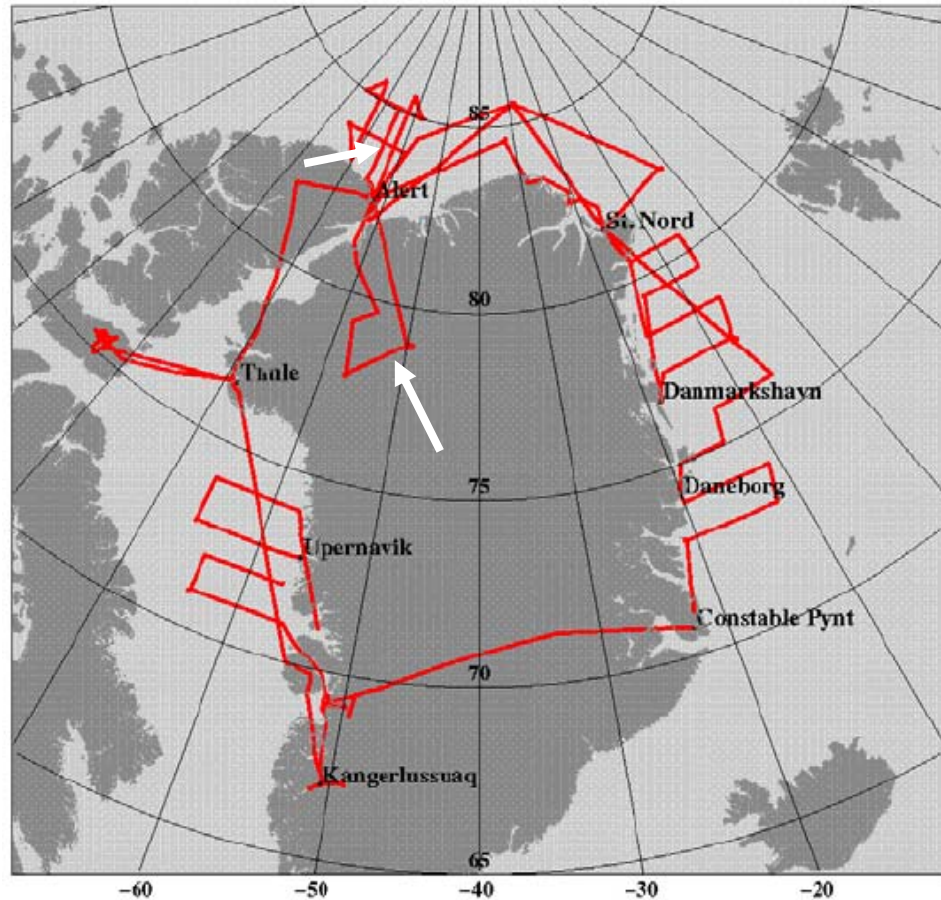

ASIRAS processing at DTU Space

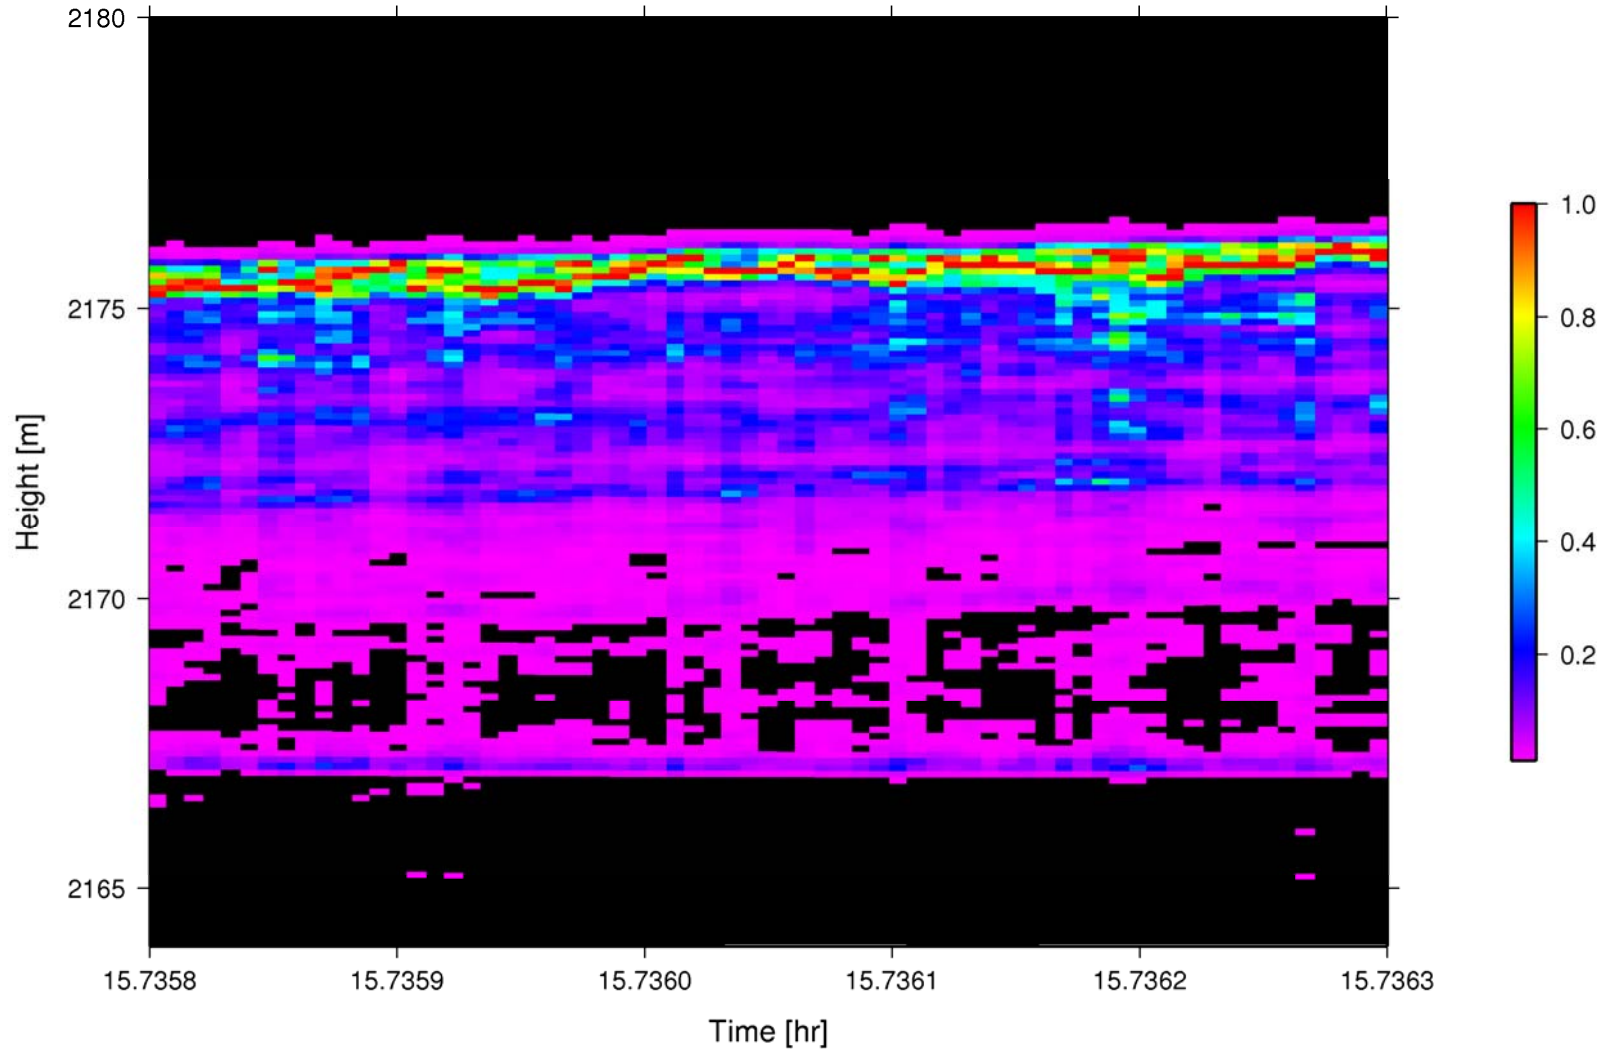

- Software installed on dedicated Intel octo-core Mac Pro
- Current installed version 3.9 patch B
- Speed up the initial inspection of data
- Spread know-how

First tests

- Output looks sane
- More tests needed
- Compare with AWI runs

Land ice example

Sea ice eksempel
